2022

WOCNext[®]

A *Global* Education Event from WOCN[®] and WCET[®]

IN-PERSON & ONLINE JUNE 5-8 ★ FORT WORTH, TX

REGISTRATION BROCHURE

2022

WOCNext®

One *Global* Event, Experienced *Your* Way

WOCNext® 2022 is a global, hybrid event from WOCN® and WCET® and the annual conference for both organizations! Members and non-members from around the world are invited to celebrate diversity and gain perspectives that will advance the practice and delivery of wound, ostomy, and continence care.

WOCNext® 2022 has been carefully designed to leave no one, and no content, out! Whether you attend in-person in Fort Worth, TX, virtually, or both—you will get the *complete* WOCNext® experience.

You May Want to Attend **In-Person** If:

- ✓ You're able to and feel comfortable traveling
- ✓ You learn best when in-person with others
- ✓ You enjoy networking face-to-face with attendees and exhibitors
- ✓ You'd like to take advantage of in-person only workshops
- ✓ You're interested in exploring Fort Worth, TX

You May Want to Attend **Virtually** If:

- ✓ You feel more comfortable at home or cannot travel
- ✓ Your schedule requires (and enjoys) the flexibility
- ✓ You enjoy connecting virtually with attendees and exhibitors
- ✓ You prefer to learn and earn credits at your own pace
- ✓ You are mostly interested in the event's content

WOCNext® 2022 will cover prominent topics like diversity, culturally congruent care, and considering social and emotional impacts for those living with wound, ostomy, and continence care needs. It will bring healing to the WOC nursing and ET communities through global support, compassion, and empathy for our unique and shared experiences as WOC care professionals.

WOCNext® 2022 AT A GLANCE

50+ EDUCATION SESSIONS

45+ CONTACT HOURS

More than **60** expert speakers focused on emerging healthcare trends in:

WELLNESS

Behaviors, actions, and interventions to promote health and well-being.

SYMPTOM SCIENCE

Understanding pathophysiology and manifestations of acute and chronic illness.

QUALITY

Measures of patient-centered, safe, effective, timely, efficient, and equitable care.

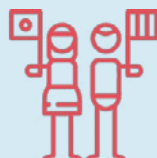

CLINICAL CARE INNOVATIONS

Advancing practice through the integration of education and research.

Global perspectives on Wellness, Symptom Science, Quality, and Clinical Care Innovations.

Parade of nations event for attendees to share their country's flag and traditional clothing.

Prominent topics like diversity, culturally congruent care, and considering social and emotional impacts for those living with wound, ostomy, and continence care needs.

Complete experience whether you will attend in-person or virtually—nothing will be left out.

Inclusive networking events and interactions for attendees and exhibitors all over the globe.

All-star speakers of WOC nurse experts, physicians, surgeons, educators, and consultants.

New product and service innovations that can help you perform your job more effectively.

Healing and energizing content that will unite our community and invigorate your skills.
